\$169.00

Identify your body's hidden imbalances

THIS TEST MAY UNCOVER THE REAL REASONS WHY YOU ARE:

- + Feeling sick and tired
- + Not losing weight
- + Suffering from headaches
- + Suffering from allergies

This insightful test helps to take the guesswork out of choosing the correct natural program and combination of supplements for you. By analysing your live blood under a microscope, we can uncover many hidden imbalances, including:

- › Nutritional Deficiencies
- › Anti-Oxidant Levels
- › Mineral Imbalances
- › Immune Weakness
- › Adrenal Stress
- › Hydration Levels
- › Acidity
- › Digestive Imbalances

- › Liver Stress
- › Kidney Stress
- › Oxidative Stress
- › Circulatory Congestion & Poor Tissue Oxygenation
- › Cellular Fatigue
- › Lymphatic Congestion
- › Anaemia
- › Bowel Toxicity & Inflammation
- › Chemical & Heavy Metal Toxicity
- › Yeast / Candida
